Extra Wide/Hi-Density Foam Seat & Back

Extra-wide seat with a backrest that easily adjusts up and down or front to back.

Posture Task Chairs with Adjustable Back & Arm Rest heights

Built in Lumbar Support and gas lift seat adjustable.

Vinyl Anti-microbial Posture Task Chairs

Perfect for Medical, Dental, Chiropractic or anywhere germs, dirt, or spills may occur. These Anti-microbial vinyl chairs are available in black or silver frames. Easy Gas lift.

Ergonomic Comfort with Sliding Seat

Long legs? Seat can slide forward or backward to customize leg room for people of any height. Arms adjust in height to 7 different positions!

Ergonomic Executive/Computer Task Chair

One of OFM's most customizable chairs - built for maximum comfort! The back has built-in lumbar support and adjusts up and down. The back also tilts by itself or in unison with the seat. The seat can tilt forward for maximum leg comfort and seat height adjusts up and down for just the right fit.

Light Task Chair

Designed for part time use. Features a contoured seat and back, with lumbar support for added comfort, pneumatic height adjustment, and five-star base with dual casters. Black molded plastic shells protect the seat and back upholstery and add a crisp, modern accent.

High-Back Ergonomic Management Chair

Larger seat, Swivel/tilt control with tilt lock, allowing the user to easily lock the chair in upright position. Easy pneumatic height adjustment.

Tough Polypropylene/Low Maintenance Contour

This chair has a simple swivel function (no tilt). Great for Students, Labs, and Doctors. Armless style is perfect for those looking for back support, but also need freedom of movement.

Low-Back 24 Hour Multi-Shift Use, Anti-microbial

Multi-Shift seating is built for around-the-clock use. Perfect for any business, school or library open more than 8 hours a day.

High-Back 24 Hour Multi-Shift Use, Anti-microbial

Perfect for Police & Medical Facilities or government offices where one shift ends and another begins. This is the chair for optimum comfort, durability & high use.

Stackable, Convertible Chair/Table

With this clever design, the 'Chable' converts instantly from a chair to a desk. The versatile Chable is perfect for general-purpose training and meeting room settings. Built for commercial Use.

Guest/Reception Chairs with Sled Base Steel Frame

Anti-microbial or stain resistant fabric chairs are great for any medical establishment setting. Five Colors to pick from.

Stackable Guest/Reception Chairs

Training/Conference Rooms or Medical Facilities that need Anti-microbial to a keep germ-free environment.

Armless Reception Chair with Sled Base

Stain Resistant or easy to clean Anti-microbial. Great for Medical Office or any reception area.

Triple-stitched Leather

Easy to clean luxury Guest Chairs. Seat is 3 inches Thick.

"MobileArm" High-back Executive Chair

Arms move up and out of the way when you need freedom of movement. Lock/Tilt mechanism allows you to rock the chair or lock it in an upright position. The extra roomy seat makes for maximum comfort.

Stitched Piping Executive High Back

Adjustable Arms with Contemporary look. Stain Resistant Fabric

Ergonomic Conference Chairs

Gently curved molded foam in seat and back cushion gives day-long support. Waterfall seat design reduces leg fatigue.

Contemporary Conference Room Seating

Comfort and beauty in one chair! Large Size Seat & Back. Contemporary contoured curves make this a very sleek and modern-looking chair. The wide seat and back are just icing on the cake!

Rico Stack Chair

Polypropylene seat & back in a rainbow of colors with a silver powder-coat painted steel frame. Perfect for Group Seating, Training rooms, Conference rooms, Waiting rooms, Break rooms. Available with rolling casters.

Multi-Use Fabrics or Plastic Seat

Durable plastic shell seat & back with Fabric seat & back cushion. Built-in ganging brackets & Chrome plated steel frame.

Executive Chair "AirFlo" with Adjustable Lumbar

Executive Conference Chair with modern European styling. Compliments any contemporary décor. 4 arm heights.

High/Low Back Executive Conference/Task Chair

Excellent low back executive conference chair! Swivel-tilt chairs have instant seat adjustment. Teflon guarded fabrics repel stains.

Executive Power Rest Recliners, Black or Burgundy Vinyl

Relieve tension & release the stress! Long hours sitting in an office can affect muscles and circulation in the back and legs. Changing positions frequently, even if only briefly, can make your day less stressful and more productive. This rich looking recliner is designed to do just that!

Big-n-Tall Chairs with 400 Lb. Capacities

XXL wide seat and 5 ½ inch thick foam seat. Designed for comfort and durability, this chair is tailor made for people of almost any size or height! The extra thick foam seat is made with comfort in mind, and the heavy-duty construction is safe and stable for those up to 400 Lbs.

Utili-stool

This fabric covered Utili-stool is small enough to fit anywhere, and durable enough to get the job done! A comfortable 3" thick seat and pneumatic gas lift seat height adjustment
